ARTICLE II

NEGOTIATION PROCEDURE

A. The parties agree to enter into collective negotiations in accordance with the New Jersey Public Employer-Employee Relations Act, N.J.S.A. 34:13A-1 et seq., in a good-faith effort to reach agreement on all matters concerning the terms and conditions of teachers' employment. Any Agreement so negotiated shall apply to all teachers, as defined in Article I, be reduced to writing, be signed by the Board President and the Association President. The Agreement shall be adopted by the Board upon passage of the budget by the voters. If the budget is not passed by the voters the Agreement may be renegotiated.

B. During the negotiation, the Board and the Association shall present relevant data, exchange points of view, and make proposals and counterproposals. The Board shall make available to the Association pertinent public records and public information of the Dover School District as reasonably requested by the Association.

ARTICLE III
GRIEVANCE PROCEDURE

A. DEFINITION:

A "Grievance" shall mean a complaint by the Association as majority representative on behalf of an employee of the Dover Board of Education that there has been to such employee a personal loss or injury as a result of the misinterpretation, inequitable application, or violation by the Board or its Administrators, of a policy, agreement, or administrative decision affecting him, except that the term "Grievance" shall not apply to: (a) any matter which according to law is either beyond the scope of Board authority or which according to law is limited to unilateral action by the Board alone; (b) a complaint of non-tenure teacher which arises by reason of his not being re-employed; (c) or a complaint by any certificated personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required; (d) any rule or regulation of Commissioner of Education or the State Board of Education. A grievance to be considered under this procedure must be initiated by the Association as representative of the employee within thirty (30) calendar days of its occurrence.

B. PROCEDURE:

1. (a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall permit the aggrieved employees to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance by the employee of the decision rendered at that step.

(b) It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

(c) When the resolution of a grievance affects more than the employee who filed the grievance, then such resolution shall apply to all affected employees.

(d) An aggrieved employee is to be present at all stages of the grievance procedure and may be represented at all stages of the grievance procedure by himself or, at his option, by a representative selected by him. When an aggrieved employee is not represented by the Association, the Association shall have the right to be present and to state its views commencing at the Superintendent's Level.

2. Any employee who has a grievance shall discuss it first with his Principal in an attempt to resolve the matter informally at that level.

3. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days, he shall set forth his grievance in writing, within ten (10) school days of the date of discussion, to the Principal specifying:

- (a) The nature of the grievance
- (b) The nature and extent of the injury or loss
- (c) The results of previous discussions
- (d) His dissatisfaction with decisions previously rendered
- (e) Relief sought

The Principal, too, must communicate his decision to the employee in writing within three (3) school days of receipt of the written grievance.

4. The employee, not later than five (5) school days after receipt of the Principal's decision, may appeal the Principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the Principal as specified above and his or her dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days. The Superintendent shall communicate his decision in writing to the employee and the Principal.

5. If the grievance is not resolved to the employee's satisfaction, he no later than five (5) school days after receipt of the Superintendent's decision may request a review by the Association. All information regarding the determinations at the previous levels shall be submitted to the Association. The Association shall make a decision and notify the Superintendent of Schools within a period of ten (10) school days.

6. If the Association determines that the employee's position has merit, it shall recommend, in writing, within the time specified in procedure No. 5, that the grievance be heard by the Board of Education.

7. All requests to the Board of Education shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board or a committee thereof, shall review the grievance and shall, at the written request of the grievant, hold a hearing with the employee and render a decision, in writing, within thirty (30) calendar days of the receipt of the grievance by the Board or of the date of the hearing with the employee, whichever comes later.

8. If the employee is dissatisfied with the decision of the Board of Education, the Association may request the appointment of an arbitrator, such request to be made known to the Superintendent no later than two (2) weeks after the decision, in writing, of the Board of Education was made known.

The following procedure will be used to secure the services of an arbitrator:

- (a) A request will be made to the American Arbitration Association to submit a roster of persons qualified to function as an arbitrator in the dispute in question.
- (b) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the American Arbitration Association to submit a second roster of names.
- (c) If the parties are unable to determine, within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association may be requested by either party to designate an arbitrator.

The arbitrator shall limit himself to issues submitted to him, and shall consider nothing else. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions of the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law, or which is violative of the terms of this Agreement. The arbitrator shall have no power or authority to add to nor to subtract from nor to modify any of the terms of this Agreement or any Policy of the Board of Education. The arbitrator may recommend a monetary award; however, the arbitrator shall have no power or authority to make recommendations to change Schedules "A", "B", "C", or "D" or any other fixed monetary rate or schedule set forth in this Agreement. The recommendation of the arbitrator shall be advisory. Only the Board of Education and the aggrieved and his representative shall be given copies of the arbitrator's report of findings and recommendations.

9. Costs:

- (a) Each party will bear the total cost incurred by itself.
- (b) The fees and expenses of the arbitrator are the only costs which will be shared. Such costs will be shared equally between the Board of Education and the Association.
- (c) If time is lost by any employee due to arbitration proceedings necessitating the retention of a substitute, the Board of Education will pay only the cost of the substitute. The time lost by the employee must either be without pay or charged to personal time.
